Dear Dirk

VASSA Conference 4 – 7 October 2012, Umhlanga Rocks, KZN

I write on behalf of the VASSA EXCO to ask you whether you would be kind enough to alert your members that VASSA will be holding our Annual Conference in Umhlanga Rocks, KZN, from 4 – 7 October 2012.

At that meeting, a whole session will be devoted to Vascular Anaesthesia, and we would be delighted to have input from you, our anaesthetic colleagues. Dr Bruce Biccard has already been approached by the Organising Committee Chairperson, Dr Bala Pillay, and he is enthusiastic about this event. Obviously, we would like this to be successful, which means we need support and input from your members.

I would be pleased if you could mail a "Save the Date" flyer to your members. We will keep you updated as the conference draws closer concerning abstract submissions, accommodation etc.

With kind regards
